

# Connect with Thousands of Buyers and Sellers In Seconds

SimpleTexting lets you connect with people on a one-to-one basis and market properties to your entire network in seconds — with no messaging limits.

Thanks to its partnership with Your Home Sold Guaranteed, you have access to:

### Unlimited Daily Texts

Market to thousands of people at once without messaging caps.

### Versatile Messaging

Send SMS blasts and chat with clients one-on-one from the same dashboard.

### Multi-device Access

The platform is available on desktop or mobile, so you never miss a message

### Analytics

Track link click-through rates, deliverability, and more to measure success.

### Unlimited Keywords

Create a keyword for each property that sends automated SMS responses.

### MMS Messaging

Send images, videos, audio, and other types of media via text message.

### CSV Contact Imports

Upload your existing client base to SimpleTexting in seconds.

### Dedicated Support

Reach out to your dedicated point of contact if you have questions.

### Strategy Guidance

Get personalized messaging advice from SMS experts (depending on account level).

Test drive SimpleTexting [free for 14 days](#) — no credit card required.
