

Connect with your database. Reach thousands of buyers, sellers and agents in seconds.

SimpleTexting lets you connect with your database on a one-to-one basis and market properties to your entire database in seconds — with no messaging limits.

10 Reasons Why SimpleTexting Can Help You Reach Your Database

- 1 Unlimited Daily Texts**
Market to thousands of people at once without messaging caps.
- 2 Versatile Messaging**
Send SMS blasts and chat with clients one-on-one from the same dashboard.
- 3 Analytics**
Track link click-through rates, deliverability, and more to measure success.
- 4 CSV Contact Imports**
Upload your existing client base to SimpleTexting in seconds.
- 5 Dedicated Support**
Reach out to your dedicated point of contact if you have questions.
- 6 Multi-device Access**
The platform is available on desktop or mobile, so you never miss a message.
- 7 Unlimited Keywords**
Create a keyword for each property that sends automated SMS responses.
- 8 MMS Messaging**
Send images, videos, audio, and other types of media via text message.
- 9 Strategy Guidance**
Get personalized messaging advice from SMS experts (depending on account level).
- 10 No Long-Term Contracts**
Cancel or pause your account anytime, directly in the app.
